Our Commitment to Safety

Westwood IV Therapy is ACHC accredited, meeting nationally recognized standards for safety, clinical protocols, and medication sourcing. All care is delivered by experienced registered nurses using medications obtained from licensed, USP- compliant pharmacies.

How It Works?

- Choose a date that works for your space
- We coordinate setup and offerings
- We create a registration page (see below)
- Your clients book + enjoy the experience

Cape Club Golf Tournament IV Therapy Registration

Book Your IV at Cape Club – July 18th, 6-10 PM
Westwood IV Therapy will be onsite at the Cape Club of Sharon offering IV therapy to golfers. Intake forms will be emailed upon booking and must be completed 3 days prior to the event.

Cape Cocktail IV

Recharge after a long day in the sun with:

- 1L IV fluids + vitamins & electrolytes
- Meds for nausea, reflux & inflammation (optional)

Add-On:

B12 Injection

Boost energy, mental clarity, and cellular function with a quick B12 injection.

NAD+ Injection (50 mg)

Support cellular health, energy, focus, and recovery with a quick NAD+ boost.

IVs are first come, first serve—come with your group and we'll do our best to seat you together.

Our Happy Clients

Cape Club of Sharon

"We hired Westwood IV Therapy to be onsite for the Members who wanted an IV hydration boost to replenish the fluids they lost playing a very long Day Two. The nurses were the perfect combination of welcoming, professional and fun. Our players really enjoyed the experience and the results of feeling recharged." - Bill Ransom, Chief Operating Officer of The Cape Club Collection
