

# Executive Level Wellness

ELEVATE PRODUCTIVITY FROM THE INSIDE OUT

*Westwood IV Therapy brings luxury wellness to your space for employee and client events, sales events, and conferences, with on-site injections and IV hydration to boost energy, recovery, and immunity—perfect for long days, late nights, and frequent travel.*

## Company Events

WELLNESS SHOTS & INFUSIONS

*Curated wellness offerings for company events:*

- *IV Therapy to sustain energy and optimize hydration*
- *Recovery IV to support post-event recovery and balance after long days*
- *NAD+ to enhance focus and mental clarity*
- *B12 Energy Boost to elevate energy and strengthen immune support*

### Why Partner With Us?

- **Expert Medical Care:** Experienced critical care RNs, strict protocols
- **Turnkey & Seamless:** We handle all supplies and logistics
- **No Staff Required:** Fully independent from your event team
- **Flexible Options:** Open bar, per guest billing, or sponsored stations

### Our Commitment to Safety

Westwood IV Therapy is ACHC accredited, meeting nationally recognized standards for safety, clinical protocols, and medication sourcing. All care is delivered by experienced registered nurses using medications obtained from licensed, USP-compliant pharmacies.

## How It Works?

- Choose a date that works for your space
- We coordinate setup and offerings
- We create a registration page (see below)
- Your clients book + enjoy the experience

### The Ad Club Women's Leadership Forum IV & Vitamin Injection Registration

#### Recharge at the Women's Leadership Forum

Westwood IV Therapy will be onsite offering IV drips and vitamin injections to attendees. Join us in the Wellness Lounge to hydrate, restore, and feel your best during the event. Browse the services below to choose the right option for you.

#### Immunity Boost IV

Strengthens immunity, prevents illness, and speeds recovery with Vitamin C, B Complex, and Zinc.

#### Quench IV

Rehydrates, fights fatigue, and supports wellness with Vitamin C, Vita Complex, and essential minerals.

#### B12 Injection

Boost energy, mental clarity, and cellular function with a quick B12 injection.

#### NAD+ Injection (50 mg)

Support cellular health, energy, focus, and recovery with a quick NAD+ boost.

#### Appointment Timing

- IV therapy appointments take approximately 30–45 minutes.
- Vitamin injections take less than 15 minutes, including medical intake and any brief waiting time.

**Medical intake forms will be emailed upon booking and must be completed at least 3 days prior to the event.**

### INJECTION OPTIONS (Quick Boosts)

#### The Clarity Shot (NAD+)

Enhance focus, mental clarity, and cognitive performance

#### The Vitality Boost (B12 + Immune Support)

Elevate energy while strengthening immune resilience

## Our Happy Clients

### Keystone Experts + Engineers at Westin Copley

*"Very professional and highly recommended. Your nurses were wonderful!" - Jason Raske, AVP, National Sales & Business Development*

### The Ad Club Women's Leadership Forum

*"Westwood IV Therapy has been a standout part of our Women's Leadership Forum for two years running and 2026 was even better than the last. Their offerings in our Wellness Lounge created an experience that was both energizing and restorative, and the IV and vitamin therapy offerings were a genuine hit with our attendees. The team's professionalism and warmth made a lasting impact, and we would partner with them again without hesitation." - Courtney Doyle, Director of Brand and Channel Marketing*
